

Jacob Thompson

UX/Product Designer

Northern Ireland | jacobttt000@gmail.com | jacobt.work

PROFILE

UX designer focused on accessible, inclusive digital experiences. I take projects end-to-end: define the problem, run user research, design and prototype solutions, and iterate from testing feedback. My goal is to deliver products that are usable for everyone, including users with learning and accessibility needs.

Accessibility (WCAG-aware)

Inclusive Design

User Research

Usability Testing

Rapid Prototyping
